This FSG sets out the services that we can offer you. It is designed to assist you in deciding whether to use any of those services and contains important information about:

- the services we offer you.
- how we and others are paid.
- any potential conflict of interest we may have.
- our internal and external dispute resolution procedures and how you can access them.
- arrangements we have in place to compensate clients for losses.

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (**SOA**).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (PDS), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

From when does this FSG apply?	This FSG applies from 30 th November 2020 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.
How can I instruct you?	You can contact us to give us instructions by post, phone or email on the contact number or details mentioned on page 1 of this FSG.
Who is responsible for the financial services provided?	Aviso EIA is responsible for the financial services that will be provided to you, or through you to your family members, including the distribution of this FSG. Aviso EIA holds a current Australian Financial Services Licensee no: 239049. The contact details for Aviso EIA are on the front of this FSG.
What kinds of financial services are you authorised to provide to me and what kinds of financial product/s do those services relate to?	Aviso EIA is authorised to advise and deal in general insurance products to wholesale and/or retail clients. We will do this for you as your broker unless we tell you otherwise.
Will I receive tailored advice?	<p>Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.</p> <p>In some cases, we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.</p> <p>You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy. Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.</p> <p>In some cases, we may automatically renew your insurance to ensure you continue to be covered. At the time we will send you an offer to renew the insurance policy and invoice you for the cost of the renewal. If there is a change in your circumstances or if you want to change the details of cover, contact us as soon as you receive the renewal offer. This will allow us to assess whether your insurance is appropriate to your needs and circumstances.</p>
Contractual Liability and your insurance cover	Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.
What information do you maintain in my file and can I examine my file?	<p>We maintain a record of your personal profile, including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.</p> <p>We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request. A copy is also available on our website, avisoeia.com.au.</p> <p>If you wish to look at your file, please ask us. We will make arrangements for you to do so.</p>

How will I pay for the services provided?

Payment for the services We provide you are payable directly to Aviso EIA. For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges and levies. Aviso EIA often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to Aviso EIA by the insurers. In some cases, you will also be charged a fee. These will all be shown on the invoice that is sent to you.

You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay Aviso EIA within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), We will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in commission.

When you pay us your premium it will be banked into Aviso EIA 's trust account. Aviso EIA will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with Aviso EIA arrangements with the insurer. Aviso EIA will earn interest on the premium while it is in their trust account or Aviso EIA may invest the premium and earn a return. Aviso EIA will retain any interest or return on investment earned on the premium.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0% and 40%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Norton & Co will receive 80% of Aviso EIA's commission.

Any fees that we charge you will be shown separately.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 70% of our commission or fees. Our employees that will assist you with your insurance needs will be paid a market salary and may include commission &/or bonuses based on our performance criteria.

When we provide you with any advice regarding CTP Insurance written under the Motor Accident Injuries Act 2017 (NSW) we may receive a commission from the CTP Insurer we refer you to.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.
